MUSIC FOR HUMAN WELLBEING

Sound designed around the guest journey

Luxury spaces deliberately design light, scent, interiors and service. SoNir brings the same intentionality to sound.

THREE MOMENTS

I

Arrival

Establish the emotional character of the space

II

Restore

Support treatment, stillness and recovery

III

Dusk

Transition the property into its evening mood

HOW SONIR WORKS

- Original human-led music
- Curated for the space and time of day
- Works with existing audio environments
- Bespoke sound possible for the property

A SIMPLE FIRST PILOT

- One property
- One or two spaces
- Three sound moments
- No infrastructure change required
